

CAREERS IN THE ARTS

Skills for Success

Develop your potential with a Career in the Arts

Careers in the Arts is an exciting project brought to you by The Watermill Theatre and Corn Exchange Newbury, that aims to inspire and educate young people in all the possibilities a career in the arts can bring.

Pursuing a journey in a creative career can take shape in many ways: joining a youth theatre group, writing for your school newspaper or assisting the tech team in a school production. Taking part in these activities allow you to develop important life skills.

Our Skills for Success workshops allow young people to explore and develop these valuable skills gained from taking part in creative activities, that benefit them no matter their career choice.

WHAT WE OFFER

- A selection of up to 5 x 1-hour workshops with an industry professional.
- A consultation with the project team to ensure we deliver workshops that are tailored to your students' needs and ambitions.

There is no cost for these workshops due to the generous funding from Greenham Trust.

Here is a list of some of the workshops available:

Confidence Building
Problem Solving
Body Language and Eye Contact
Teamwork
CV Writing
